FEEDBACK

Give us your feedback here. We would really appreciate it!

NBSS

Did you know that Naval Base School was started in 1957 for the children of the British Naval Base employees?

That makes us 63 years old, older than Singapore!

NBSS TOUR

Click on the image below and it will lead you to the best parts of the NBSS campus. Find out the inspiration and purpose behind each school landmark. Here you will be able to see why we are a school in a garden and a giant art gallery.

HIGHLIGHTS

- SCHOOL AS A BIG LEARNING SPACE
- SCHOOL AS A GIANT ART GALLERY
- SCHOOL IN A GARDEN

LEGACY

In the Legacy, history comes alive as the school's heritage is showcased through items such as old school uniforms, correspondence, and school publications. Through this space, Navelites will not only learn about the school's rich heritage, they will also develop a strong sense of pride and belonging in the school's illustrious alumni.

HARMONY TERRACE & NAVALITE GREEN

The Harmony Terrace is an open-air roof space where technology meets nature. The three living walls of greenery, which offers an aesthetic work of green art, is sustained by an automatic drip irrigation system. A water efficient system, the vertical greenery can also be utilised as an educational tool to demonstrate and inculcate environmental issues and sustainability.

Navalite Green is a green space displaying nature's art through a curatorial, sub-tropical and mediterranean flora. With its vibrant colours including spices, herbs, vegetables, flowers and shrubs, Navalite Green is a thriving ecosystem. It offers a rich learning space to explore urban biodiversity and sustainability via opportunity.

DECK & AFTERDECK

The Deck was designed to be a space for students to learn in a collaborative and self-directed manner, with facilities that allow for small-group discussions. The Afterdeck meanwhile is a colourful and comfortable space for students to learn, or simply relax and enjoy the company of their friends.

PLAZA

In 2018, the grounds of the Plaza were laid with artificial grass, immediately transforming it into a stunning centerpiece for the school. Designed to be a safer learning space for students to engage in sporting activities such as netball, basketball, sepaktakraw and more, the Plaza has since become a key feature of the school environment and is often abuzz with activity all through the day.

STARBOARD

The Starboard encourages collaborative learning, group discussions and self-study among Navelites. Fully-equipped with lights and fans, it is one of the popular learning spaces students go to, especially in the morning before the flag-raising ceremony.

In 2018, the Starboard was extended to provide even more space for Navelites to work together, adding vibrancy and colour to the school environment.

NAVAL BASE SECONDARY SCHOOL

CAMPUS GUIDE

NBSS aims to be a caring school to live, work and play in, where the human character flourishes. The twin concepts of 'School as a Giant Art Gallery' and 'School in a Garden' contribute to the overarching concept of the 'School as a Big Learning Space', which fulfils this vision, so that the school remains a welcoming and safe home for both staff and students, as well as an inviting space for partners and visitors for collaboration and learning.

HOW TO APPLY

Is Naval Base Secondary School the school for you?
Want to apply for DSA to the school?
Here's how!

1. Apply via the MOE DSA website at <https://beta.moe.gov.sg/secondary/dsa/> when the application period opens.
2. Keep making art while waiting for the application period! We would love to see your artworks when we meet you. :)
3. Download this presentation so that you can refer to it after today, in case you or your parents have any other questions.

An aerial photograph of a school courtyard. In the foreground, a green artificial turf netball court is marked with white lines. A netball goalpost stands on the right side of the court. The courtyard is surrounded by a multi-story school building with blue and white walls and colorful balconies. In the background, there is a small garden area with white umbrellas and a display of flowers. A large, semi-transparent pink banner with a torn-edge effect is overlaid across the middle of the image, containing a quote in white text.

"Stout hearts, brave deeds, great thoughts recall
Proud mem'ries of Naval Base School."
