Assessment Practices

School-based Assessment Practices

- NO Mid-Year Examinations (MYE) for P3, P4 and P5
- Intent:
 - reduce the load and stakes of school-based assessment (SBA)
 - move away from an over-emphasis on academic results
 - help our students experience more joy and develop stronger motivation in learning
- Only **Weighted Assessment (WA)**, and End-of-Year Examinations (EYE)

Weighted Assessment (WA)

(For P3 to P5 only)

- ONLY 1 WA **per subject** per term
- Results of WA will add towards the overall result for the year
- Mini tests or performance tasks
- NOT the same as End-of-Year Examinations (EYE)
- Fairness & Reliability

HOW DOES SUBJECT-BASED BANDING (PRI) WORK?

@ PRIMARY 4

Student sits for school-based examinations

School recommends a subject combination based on the student's results.

Parents fill up an option form indicating the preferred combination.

@ PRIMARY 5

Student takes subject combination chosen by parents

English Language, Mathematics, Science and Mother Tongue Language are available at standard and foundation levels.

Higher Mother Tongue Language is also available.

School assesses student's ability to cope with the current subject combination at the end of the year. Adjustments to the number of standard and foundation subjects can be made, if necessary.

@ PRIMARY 6

Student takes subject combination decided by his school and sits for the Primary School Leaving Examination (PSLE) at the end of Primary 6.

P5 Learning Milestone

Beginning of P5

Student takes subject combination chosen by parents

Close Monitoring for WA 1, WA 2, WA 3 & End-of- Year

Regular Engagement with parents to pace student's learning with current subject combination

End of P5

Review student's aptitude, motivation, performance and ability to manage the demands of the P6 curriculum

Can manage?

Continue with current subject combination and prepare for P6 PSLE

Change subject combination and prepare for P6 PSLE
