# **Changes to the PSLE Scoring**

# From T-score to Wider Scoring Bands

Our PSLE scoring changes aim to:

- Reduce fine differentiation at a young age
- Recognise students' level of achievement, regardless of how their peers have done

**PSLE Microsite**

<https://www.moe.gov.sg/microsites/psle-fsbb/index.html>

# WHAT ARE ACHIEVEMENT LEVELs (AL)?

## WHY ARE THE BANDS UNEVEN?

- Students with similar scores in each subject are grouped into scoring bands measured in 8 ALs.
- AL bands and mark ranges are set based on the learning objectives of the curriculum, and mirror the way we learn.

When we learn something new, after some initial practice, we often find ourselves improving significantly.

As we get better, the improvements become small steps, and finally, as we reach a high level, we inch just a little further, even after much learning and practice.

The ALs were designed to reflect this reality of learning. They help educators, students, and parents know how ready students are to access the curriculum at the next level.

AL	RAW MARK RANGE
1	$\geq 90$
2	85 – 89
3	80 – 84
4	75 – 79
5	65 – 74
6	45 – 64
7	20 – 44
8	$< 20$

# From T-score To Wider Scoring Bands

- PSLE score is obtained by adding the ALs of four subjects.
- The PSLE Score ranges from 4 to 32, with 4 being the best possible score.

Elena		PSLE Score 14
PSLE Subject	AL Score	
English	2	
Math	2	
Foundation Science	AL A = 6	
Mother Tongue Language	4	

# GRADING OF FOUNDATION SUBJECTS

- Foundation subject grades are graded in scoring bands from **AL A to C**.
- To derive a student's overall PSLE Score for S1 Posting, AL A to AL C for Foundation level subjects are **mapped to AL 6 to AL 8 of Standard level subjects respectively**.
- This mapping is based on the learning and assessment load of the subjects, and informs students of how ready they are for the curriculum in secondary school.

Foundation Level AL Reflected on Result Slip	Foundation Raw Mark Range	Equivalent Standard Subject AL	Standard Raw Mark Range
A	75 – 100	6	45-64
B	30 – 74	7	20-44
C	< 30	8	<20

# FULL SBB: S1 POSTING

## Three Posting Groups to ensure schools are accessible to diverse learners

From the 2024 S1 cohort, MOE will facilitate the admission of P6 students into S1 through 3 Posting Groups: **PG1, PG2 and PG3**.

Objective: Ensures that schools continue to admit a **diverse profile of students** and students have **access to a wide range of schools**.

**Unlike the academic streams of Express, N(A) and N(T), Posting Groups will only be used for the purposes of facilitating entry into secondary school and to guide the subject levels students offer at the start of S1.**

- Posting Groups assigned based on PSLE Scores, mapped from existing PSLE Score ranges for Express, N(A) and N(T) streams.
- PSLE Scores provide a good gauge of the subject levels that students can offer at the beginning of S1.

PSLE Score	Posting Group	Subject level for most subjects
4 – 20	3	G3
21 and 22	2 or 3	G2 or G3
23 and 24	2	G2
25	1 or 2	G1 or G2
26 – 30 (with AL 7 in EL and MA)	1	G1

# SUBJECT LEVEL FLEXIBILITY BEYOND THE START OF S1

- Beyond the start of Sec 1, students may **adjust their subject levels across their secondary school journey**.
  - Students may offer subjects, including English Language, Mother Tongue Languages, Mathematics, Science and Humanities subjects at a **more demanding level** if they meet the criteria and based on the school's holistic considerations.
  - Students who are not coping well may **offer subjects at a less demanding level**, based on their school-based performance and school's holistic considerations, to calibrate their curricular load.
  - In upper secondary, students may offer elective subjects (for example, Additional Mathematics, Art, Design & Technology) at a subject level suited to their strengths, interests and post-secondary aspirations, to **allow them to pursue their interests without adding unduly to their overall curriculum load**.
- Schools will consider **students' learning progress and developmental needs** when helping them determine their subject choices.

# **Choosing Suitable Secondary Schools**

# PSLE SCORE RANGES FOR ALL SECONDARY SCHOOLS

- Use the PSLE Score ranges as a reference alongside other important factors, such as the school's distinctive programmes, Co-Curricular Activities (CCA), culture, ethos, and proximity to home when shortlisting school choices that would best fit a student's educational needs.
- The PSLE Score ranges for individual secondary schools will be available for your reference on <https://moe.gov.sg/schoolfinder> and <https://go.gov.sg/exploreschools>. They reflect the PSLE scores of the students posted into these schools at the previous year's S1 Posting Exercise.
- A school's PSLE Score range (including Cut-Off-Point) for a particular year is not pre-determined before the posting, and vary from year to year, depending on the cohort's PSLE results and their school choices in that year's S1 Posting Exercise.

# HOW DO WE INTERPRET THE PSLE SCORE RANGES?

The PSLE Score range refers to the PSLE Score of the first and last students admitted to a particular school in the previous year via the S1 Posting Exercise. This shows the range of students profiles who enter each school.

## Example

XX Secondary School

PSLE Score range of 20XX (previous year's S1 Posting Exercise)

Posting Group 3	15	20
Posting Group 2	21	24
Posting Group 1	25	28

PSLE Score of the first student posted into the school in the respective PG.

PSLE Score of the last student posted into the school in the respective PGs [i.e., the school's Cut-Off Point (COP)].

**Note:** Posting Groups will be assigned based on PSLE Scores, mapped from existing PSLE Score ranges for Express, N(A) and N(T) streams.

# IMPORTANT FACTORS TO CONSIDER WHEN CHOOSING SECONDARY SCHOOLS

## 01 SCHOOL CULTURE

What is the school's culture and ethos?

## 02 LEARNING ENVIRONMENT

How do I feel about the school based on what I saw at the Open House?

## 03 PROGRAMMES

Does the school have programmes I would enjoy?

## 04 CCAs

Are there CCAs that interest me and can nurture my strengths, abilities and talents?

## 05 SUBJECTS

What subjects are offered in the school?

## 06 LOCATION

How long will it take for me to travel to school and back home?

# TIPS FOR PARENTS!

Be open and flexible when discussing your child's preferences, needs and choices.

Manage your own expectations and do not project these expectations onto your child.

Have regular conversations with your child to understand more about his/her strengths, interests, abilities, talents and aspirations.

Affirm your child and offer support when he/she shares his/her plans with you.

# **Direct School Admission (DSA)**

# ENTERING SCHOOLS THROUGH DSA-SEC

- There is no change to the application and selection process with the shift to Full SBB.
- If your child has specific talents and strengths beyond the PSLE (e.g. areas such as sports, performing arts and leadership), consider the **Direct School Admission-Secondary (DSA-Sec)** as an alternative admission pathway to access secondary schools that have talent development programmes in these areas.
